# **DEPARTMENT OF HUMAN SERVICES**

## **VISION**

Compassion. Protection. Independence.

## **MISSION**

Improving the quality of life in Michigan by providing services to vulnerable children and adults that will strengthen community and enable families and individuals to move toward independence.

# Vision

- The P2P model was based on 4 DHS objectives:
- Safety (increase access to prevention, engage disconnected youth, connect vulnerable adults to protective networks)
- Education (remove barriers to attendance, enhance & support parental involvement, remove barriers to engage active participation)
- Health (remove barriers that prevent access to health care, increase access to healthy foods, increase access to behavioral health care, support good hygiene, support physical fitness)
- Self-Sufficiency (remove barriers to employment, assist in accessing quality childcare, promote adult education, support access to transportation)

- \*Wayne County went live with Pathways to Potential with 11 pilot schools referred to as Phase I in June 2012. (Dixon, JR King, Priest, A. L. Holmes, Brenda Scott, Burns, Bagley, Bates, Neinas, Clark, Phoenix)
- Phase II-Wave I went live in January 2013
- Wave II went live in February 2013
- Wave III and the final wave for Wayne County went live March 2013. P2P have lost some schools(Oakman & Wilkins) and added schools(MLK High School, East English Village Academy, Western High) since going live with Wave III. Today there are a total of 91 P2P schools in Wayne County.

- \*One goal is to intercept generational poverty, support families & individuals on their road to self-sufficiency.
- \*Truancy is the key focus for the Family Resource Centers. School attendance is a critical component to academic success.
- \*Pathways to Potential is going forward towards expansion. Pathways FRC sites will expand to additional schools, including those schools in the suburban cities.
- \*There is a new goal of implementing Pathways in 184 schools by September 2014. Potential Pathways locations include: Marquette, Ottawa, Washtenaw, St. Clair, Mecosta/Osceola. Another established goal for this school year is to increase the number of community schools from 21 to 24.
- \*Pathways to Potential are currently in Oakland, Macomb, Genesee, Saginaw, Muskegon, Kalamazoo and Lapeer County just went live as of February 11<sup>th</sup>.
- \*Pathways to Potential overall vision is helping every person find a pathway to their fullest potential.

# Student Referral Log

- *The purpose of the Student Referral Log is to:*
  - ☺ *Collect information that will be used to determine barriers to school attendance*
  - ☺ *Collect information that will be used to identify resources needed to address those barriers*
  - ☺ *Assist in determining where gaps exist and where resources still need to be developed*

# Student log Referral

- *All referrals entered must include:*
  - Barriers to attendance*
  - Resources provided*
- *Referrals must be entered*
  - Timely – referrals must be entered by the 5<sup>th</sup> day of the next month***
  - Accurately*
  - Completely – all data elements but be completed*
  - Mentors will monitor and ensure that referrals are entered timely, accurately and completely 😊*
