Changing the Child Support Amount

Child support may be changed by filing a Motion to Change Child Support ([FOC Form 4035](#)). Michigan Compiled Law § 552.603 allows the Court to change support *back to the date a motion is filed and served on the other party*. Therefore, filing your motion as soon as possible will mean that any change in your child support may start earlier.

You may also request a Support Review through the Friend of the Court. This written request may be mailed to P.O. Box 829, Detroit, MI 48231. The start date on this type of review would
